365123 THE SALMON RIVER AT LIGHTHOUSE HILL

FOR ALL BROOKFIELD RENEWABLE POWER SITES

Please be advised that Brookfield Renewable has deployed a new mobile friendly website for all water data pertaining to their assets.

Users should visit and bookmark www.safewaters.com for all future data needs.

Or call the Safe Waters hotline - 1-844-430-FLOW (3569)

Please be safe on the water!

Site reports are also available on Waterline's Toll-FreeHotline.
Boaters call 1-800 452-1737. Anglers call 1-800 452-1742.
At the voice prompt, enter the six-digit code for this site.
