## Waterline Sites For Kentucky

### USING WATERLINE

For current reports: Click a site below, or Call a Waterline 800 number. After the intro, enter the six digit code for the site you want. During a phone report, you can enter another site code at any time.

'Flowcast' marks a Waterline managed site that has flow projections and current flows.

'external' means the forecast report is on another company's web site.

'1 hr' etc. means current flow or stage readings updated at that hourly frequency.
