COVID-19 Safety Measures at GRH Recreation Sites – 2023

- Schedule for whitewater releases below will continue unless State officials request otherwise. Any changes to schedule/safety requirements will be updated here.
- GRH will make reasonable efforts to provide amenities like picnic tables and portable toilets, and to service those facilities in accordance with CDC and state guidance. Visitors are strongly encouraged to also follow CDC and state guidance regarding personal protection measures, such as social distancing, mask use, and personal hygiene, including being prepared with their own hand sanitizer for use in these facilities.

Providing recreation opportunities is an important aspect of Great River Hydro's commitment to the communities in which we operate. With those opportunities, our top priority has always been maintaining the safety of our visitors and our staff. To that end we have developed safety measures for those visiting our recreation areas. These measures follow state and federal recommendations to reduce the potential for increased transmission of COVID-19. As government
